

The Circle-Heights Bike Network

Connecting great destinations by bicycle in University Circle and the surrounding Heights

This map is a sustainable transportation planning project of EcoCity Cleveland, the nonprofit organization that promotes the design of cities in balance with nature in Northeast Ohio. Routes shown are the best available today. Additional routes and other improvements for a truly great bike system are described on the other side. For more information, see www.ecocitycleveland.org.

Map Legend

- FAST ROUTES — More direct, fewer stops, more traffic
